

Luna Lapin's Little Crochet Hat Pattern.
Designed by Anita Orford.

Materials used 8ply wool or acrylic (UK equivalent is Double Knitting)

Crochet hook size 3.5

Abbreviation

Ch/ST = chain stitch

S/C = single crochet (UK is double crochet)

S/ST = slip stitch

Cast on 12 Ch/St loosely

Row 1. s/c in 2nd chain from hook continue till end you will have 11 stitches, chain 1 and turn.

Row 2. s/c in each stitch till end (11 stitches) chain 1 turn, continue this way until you have 30 rows, cast off. Work should measure between 15/15.5 cm's.

Match the two short side seams and sew together using your wool.

Turn tube so seam is now on inside, we are now going to crochet the brim along one of the edges, we will be crocheting in the round so a crochet hook marker is a good idea to help with beginning of rows. For illustration purposes I have provided a photo using a different colour wool to show how I crochet into edge. Row 1. Slip stitch to cast on (now use your marker in chain on hook) single crochet 30 stitches in side edge of tube.

Row 2. Use stitch marker every time you start a new row, 2 s/c into first stitch 1 s/c into second (repeat to end of row) you should have 45 stitches.

Row 3. Single crochet in all 45 stitches.

Row 4. 2 s/c in first stitch, 1 s/c in next st repeat till end of row (68) stitch's.

Row 5. Single crochet in all 68 stitches.

Row 6. Slip stitch in all 68 stitches (this will give a nice crisp edge to the hat & stop from curling) cast off. Ensure that you weave the end of the wool into the brim of hat.

Turn your hat inside out, now to the other edge of hat (top) turn down by 2cm and stitch down using your wool. To form the bridge for top of hat so you're bunny's ears can pop through pick up your crochet hook and cast on 4 chain, single crochet into 2nd stitch from hook single crochet into last 2 stitches (3 stitches) 1 chain turn, repeat for 10 rows, cast off. Sew the small band onto the inside of hat to divide for ears, ensure your side seam is now in the middle then sew the small edge of the dividing band at bottom of the 2cm turn, place the small band over the top of hat and sew other edge on the opposite side, hopefully this makes sense 😊 turn your hat out to right side. The hat is finished . Embellish if you want. I hope you're bunny enjoys wearing her hat. Anita 😊
